d. Following the discussion of this estimate, Mr. Kent raised the question of whether the titles of estimates should be classified separately from the text of the estimate to permit their inclusion in documents, such as bibliographies. The members agreed that hereafter titles of estimates should be classified separately from the text of estimates, with the classification of the title to be appropriately noted on the published estimate. The members also agreed that the classification of the title of NIE 22-56 should be "Official Use Only."

a. The members considered this matter, using as a basis for discussion documents prepared by the Bureau of the Budget (IAC-D-55/10.1, 9 July 1956) and a draft statement by the Director of Central Intelligence in response to the memorandum from the Executive Secretary of the NSC dated 19 June 1956, which draft was circulated to the IAC members at the meeting.

b. The members agreed that the DCI should reply to the Executive Secretary of the NSC along the lines of the draft statement, as amended, including as an enclosure an amended version of the table of fiscal data prepared by the Bureau of the Budget. At General Gaither's request, the members also agreed that the table as forwarded to the NSC should also incorporate such further revisions or explanatory data with respect to the amounts and allocation of estimated costs as General Gaither deemed necessary.
